

Lasita IV 92 EI30 non-openable window

placed on the market by

Lasita Aken AS

Tähe 116, 51013 Tartu, ESTONIA

and produced in the factory

Lasita Aken AS

Tähe 116, 51013 Tartu, ESTONIA

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that Inspecta Estonia OÜ has performed type testing, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the performances described in technical description

J-22_v01

were applied and that the product fulfils all the prescribed requirements.

This certificate is first issued on **10.10.2014** and remains valid until **09.10.2019** as long as the conditions laid down in the technical description in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.com. Classification and field of direct application is presented in the Annex 1.

 Tallinn 10.10.2014
