

## Lasita Nordic 86 EI30 non-openable window

placed on the market by

**Lasita Aken AS**  
Tähe 116, 51013 Tartu, ESTONIA

and produced in the factory

**Lasita Aken AS**  
Tähe 116, 51013 Tartu, ESTONIA

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that Inspecta Estonia OÜ has performed type testing, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the performances described in technical description

**J-23\_v01**

were applied and that the product fulfils all the prescribed requirements.

This certificate is first issued on **26.11.2014** and remains valid until **25.11.2019** as long as the conditions laid down in the technical description in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at [www.inspecta.com](http://www.inspecta.com). Classification and field of direct application is presented in the Annex 1.

A circular blue stamp with the text "INSPECTA ESTONIA OÜ" around the top edge and "Eesti Vabariik" around the bottom edge. The word "Inspecta" is written in a large, bold, blue font across the center. The date "Tallinn 26.11.2014" is stamped above the signature. The signature "Silver Tiido" is written in blue ink across the stamp. Below the signature, the text "Head of the conformity assessment department" is printed in black.

Tallinn 26.11.2014

Silver Tiido  
Head of the conformity assessment department
